

**Located at 90 Meath Street and working in the heart of
The Liberties for nearly 40 years**

PRODUCTION OF COMMUNITY PROFILE AND NEEDS ASSESSMENT FOR THE LIBERTIES AND ADJOINING AREAS

COMMUNITY SURVEY

South Inner City Community Development Association (SICCDA) is a long established community organisation which provides a range of services to people living in The Liberties and surrounding areas (see www.sicdda.com). SICCDA, together with other agencies and organisations working in the South Inner City of Dublin, is currently in the process of producing a Community Profile and Needs Assessment Study for The Liberties and surrounding areas. It is anticipated that the outcomes and results from this process will help to guide and inform the future actions and priorities of SICCDA and of other agencies and organisations involved in delivering services in the overall area.

One element in the process of compiling and producing the Community Profile and Needs Assessment Study is a Community Survey. We are asking people who live or work in The Liberties and surrounding areas to complete this survey and thereby contribute to the production of the Community Profile and Needs Assessment Study. If you wish you can attach your name and contact details and we will ensure that you will receive copies of the reports which emerge from the completed surveys and from many interviews and consultations which are taking place between April 2019 and July 2019.

COMMUNITY SURVEY

1. What are the 3 best things about living in The Liberties and surrounding areas?

2. What are the 3 worst things about living in The Liberties and surrounding areas?

3. What are the 3 things that need to happen to make The Liberties and surrounding areas a better place to live?

Thank you for taking the time to complete this short survey. There are 3 ways that you can return the completed survey to Stephen Rourke (who is assisting us to produce the Community Profile and Needs Assessment) and the SICCDA team. These are as follows:

- * Leave the completed survey with the staff at the places where the survey is being displayed and made available to the public. Completed surveys will be collected every 2 weeks from a number of venues in the South Inner City which have agreed to make the Community Survey available to the public
- * Drop your completed survey into SICCDA offices at 90 Meath Street, Dublin 8
- * email the answers to the 3 questions to Stephen Rourke at the following email address: srourke5@gmail.com

If you wish you can also attach your contact details and we will send you the Community Profile and Needs Assessment Study when they are complete:

NAME:

ADDRESS:

email:

Thank you for your assistance and your contribution to this process which will assist in the planning and delivery of services to people living in The Liberties and surrounding areas over the next number of years.
